EDUCATION

University of Waterloo · B.A.Sc in Computer Engineering · 2011 - 2016
University College London · B.Sc in Computer Science · 2014

RECENT TOOLS

Design · Sketch, Photoshop, Illustrator, InDesign, 3D Studio Max
Dev · HTML, CSS, JQuery, MATLAB, Java/Android, Windows Phone

IN THE PAST

Microsoft Corporation · Program Manager Intern · Fall 2015

- Designed and prototyped camera app feature for easy camera access above lockscreen.
- Designed feature which targets delightful user experiences in **Windows Photos App** and effectively prompt users to submit store rating; increased average app rating by 200% within 1 month.
- Increased **Windows Camera App** developer-customer engagement; Designed internal feedback workflow for processing top consumer feedback and consolidating them into developer backlog.

Palantir Technologies · Designer / PM Intern · Fall 2014 & Winter 2015

- Responsible for the design and management of **Palantir Radar**, a financial alert management tool for trader oversight use cases. Overhauled the information architecture of data drilldown, filtering, and search workflows.
- Designed an imagery search helper in **Palantir Raven**, a geospatial analysis tool; the feautre played key roles in visualizing/investigating large-scale map layers for disaster relief use cases.
- Designed and prototyped new features for **Palantir Valhalla** (recently launched as First Data **Insightics**).
- Overhauled design for **Palantir Mobile** Android app; implemented new UI for its web-based team management portal.

Pixlee Inc. · UI/UX Developer Intern · Fall 2013

- Re-designed and implemented **Pixlee.com**, Pixlee admin panel, developer site, and **blogging platform**. Tools used: Photoshop, HTML, CSS, JQuery, Backbone.
